DO NOT!
Please DO NOT shovel snow onto town roads.

We know there are many large amounts of snow heading for us this winter: however, please Do Not shovel your walkways onto Town Roads.

Town of Fairview Municipal Enforcement reminds you to check www.fairview.ca/government/bylaws/ to review the bylaws.

Placing snow onto streets creates a hazard to you, your neighbors, motorists, pedestrians, and to Public Works equipment operators.

Centre**

AQUATIC CENTRE INFO

The Fairview Regional Aquatic Centre offers a five lane, 25-metre lap pool and a zero-depth wading pool. The pools have multiple water features including river jets and fountain canes. The facility also has a 150-foot water slide - the biggest in the Peace Country, a Tarzan rope, skywalker hanging monkey bars, a rock climbing wall and a 20 person hot tub with wheelchair access.

The centre offers many levels of aquatic programming including but not limited to: adult lane swim, swimming lessons, aqua-fit classes, and junior lifeguard training.

The Aquatic Centre is a great place to de-stress, meet new people, spend time with loved ones, or exercise. Whether you want to work on your strokes, get in shape, or simply come to enjoy the relaxing atmosphere; our professional and friendly staff are here to assist and help you make the most of your time at our facility.

We strive to maintain reasonable fees and admission rates. Drop-in, punch cards, and Memberships are available for purchase. Rentals of the pool and the activity room are also available.

HECK NO, We don't want to tow!

- No parking on the street or any other public property at the same location for a period longer than 72 hours.
- No parking in disabled parking stall, unless a valid handicapped placard is displayed.
- No unattached trailers parked on the street at any time.
- No attached trailers parked on the street for longer than 48 hours.

Please note that these bylaws are applicable year-round, but are enforced more strictly in the winter due to snow clearing operations, narrower roadways and more hazardous road conditions.

Town Utility Bills

Your utility bills are mailed out at the beginning of each month (for the previous month's consumption). New radio frequency meters have been installed in almost all the households and businesses. You will receive an accurate monthly bill for actual consumption. You will be charged \$3.34 per cubic meter for residential accounts and non-residential accounts.

In addition to the consumption rate for water you will be charged a flat rate for the Sewer service for residential and non-residential accounts, and a flat rate monthly Capital Replacement fee.

If your bill is exceedingly high, check your toilet(s), faucets, humidifiers, icemakers and outdoor taps for leaks.

We are pleased to offer our residents the option of paperless billing. This means that you would receive an email copy of your bill each month instead of the paper copy in the mail. As an incentive to sign-up for this service, there is currently a \$1 credit per month for signing up.

So you never forget to pay your bill, we also have a preauthorized payment plan that debits your account on the 20th of each month. This debit can only be from a valid bank account.

The current utility bylaw may be viewed online at www.fairview.ca

ANIMAL CONTROL

The Town's Animal & Responsible Pet Ownership Bylaw 1077AC 2022 dictates that an owner of an animal is guilty of an offence if:

- the animal is not licensed
- barking or howling disturbs others
- the animal causes property damage
- the animal is in an area where a sign prohibits pets
- the animal bites, attacks, barks at or threatens a person or another animal
- the animal defecates on property not belonging to the owner, and the defecation is not immediately removed and disposed of in a sanitary manner

As a responsible pet owner, dogs and cats need to be under your control at all times when out in public areas. Ensure your animal is leashed with control, and carry waste disposal products.

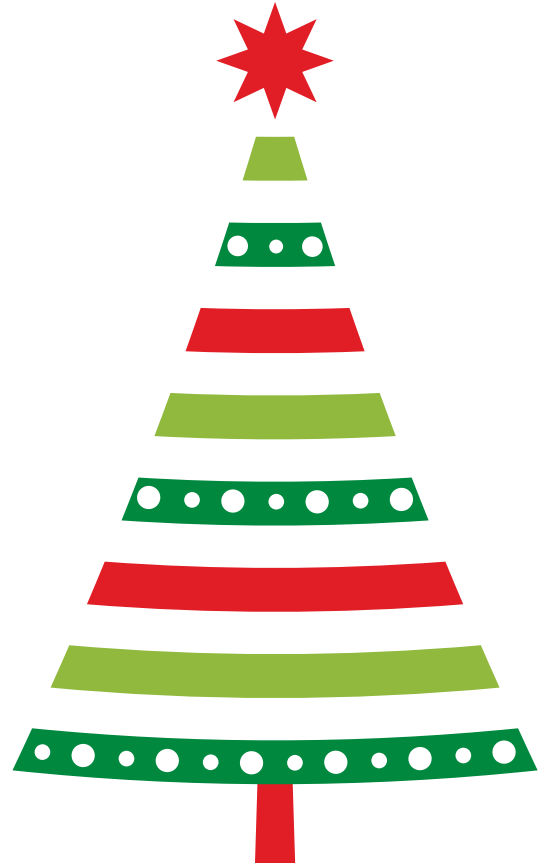

Please respect your neighbour and take proper care of your animals. Your neighbours have a right to peace and quiet in their home, and should be able to walk the streets or trails in safety and without animal disruption.
