## SNOW REMOVAL REMINDER

As snow removal season is here, we would like to remind residents that the Traffic Bylaw (965/TR/2010) states that vehicles parked on the curb must be moved within 72 hours, especially when that roadway is being plowed. We also kindly ask residents to not shovel, push or blow snow back onto the street when they are clearing their driveways as per Traffic Bylaw (965/TR/2010-Section 19). It makes ridges and ruts that hamper safe driving for private and commercial vehicles.

Please remove your black and blue bins from the street, as soon as they are emptied on Wednesdays, to clear the curbs for the snowplows. Let's all work together to keep our roadways safe this winter!
