Town of Fairview Newsletter - November 2024

## Snow Removal Schedule

As we gear up for the 2024-2025 winter season, we would like to remind everyone to please be patient. The Plowing Schedule is as follows: "Priority 1" areas 101, 103, 105 and 108 Avenues, these are considered emergency routes. "Priority 2" areas are 102 Avenue between 109 and 111 Streets. Snow will be windrowed and removed immediately, after which Main Street will be windrowed. "Priority 3" are hill roads: 100, 103, 106, 107, 108, 109, 111, 112, 115, 116 Streets. "Priority 4" are 102, 104, 106, 107, 109 and 113 Avenues, and "Priority 5" are residential areas and the remainder of downtown.

### GO SLOW! KEEP AN EYE OUT FOR SNOW CLEARING EQUIPMENT

Drivers and pedestrians are asked to use extreme caution around the large machines during snow removal. Do not drive under or close to the loader bucket. When machinery is backing up, please keep a safe distance away. If you are too close, you are not visible in the mirrors. When meeting equipment, be certain you have eye contact with the operator before you pass. They will do their best to make room for you to pass them safely.
