WATER SYSTEM MAINTENANCE

The Town of Fairview is currently undertaking an important aeration maintenance project that involves using and reducing the water level on one of our water-holding cells. This project is crucial for the proper functioning of our water system.

As a result of switching to this water-holding cell, we have noticed a slight organic smell and taste in our water. However, we want to assure you that the Town of Fairview conducts daily rigorous testing to not only meet but exceed the water quality standards set by the provincial authorities. Therefore, our current water supply is completely safe for usage.

We understand that the aesthetically unpleasing smell is an unfortunate side effect that we will experience until the water level in the holding cell is sufficiently reduced to allow access to the areas that require maintenance. It is expected that the contractor will be able to commence the aeration maintenance near the beginning of October. Public Works will continue to mitigate this issue and strive to provide a noticeable change by the beginning or mid-month of October.

We sincerely apologize for any inconvenience this may cause and greatly appreciate your patience while we diligently work to ensure that our water systems are properly managed and maintained.

FAIRVIEW CUSTOMER PORTAL

The Town of Fairview is proud to announce eServices, an online portal that will allow you to log in and view your current account balances, invoices and receipts and make your payments.

When you sign up for this online service, you will receive email notices about your Personal/Business Utility bills each month and yearly Tax Notices. You will then be able to log in using your new account credentials to check your balances and securely make online payments.

Sign-up instructions are printed on the back of each Utility bill or Tax Notice along with your unique Sign-up Key (required first time only).

ANNUAL POOL MAINTENANCE

Fairview Regional Aquatic Centre will be closed for annual maintenance starting September 4th. Reopening end of October. Date to be determined.

PUBLIC WORKS WOULD LIKE YOUR HELP TO KEEP OUR STORM DRAINS FROM PLUGGING UP AND FREEZING THIS WINTER, BY REMOVING THE FALL LEAVES FROM YOUR PROPERTY.

HELP PROTECT OUR WATER AND SEWER RESOURCES:

- DO NOT RAKE OR BLOW LEAVES OR GRASS CLIPPINGS OFF YOUR PROPERTY INTO THE STREET.
- PLACE YOUR LEAVES IN A BAG FOR CURBSIDE YARD DEBRIS COLLECTION OR COMPOST THEM AT HOME.
- IF YOU HAVE A MULCHING LAWNMOWER, USE IT TO RECYCLE LEAVES & THEIR NUTRIENTS INTO YOUR LAWN.
- DO NOT DUMP YARD WASTE, TRASH, OR OTHER WASTE NEAR OR INTO STORM DRAINS.
