CHAMBER CHANGE

Chamber Change Dollars are a great gift idea for family and friends, a wonderful way to reward employees and is the perfect prize for contests and draws.

What is the Chamber Change Program?

The Chamber Change Program is designed to help keep shopping dollars in the community. Locally spent money stays in your community through supporting local employment, local business to business transactions and through charitable giving. **When you spend locally you are investing in your community!**

How does it work?

Chamber Change dollars are just like cash and may be purchased through the Fairview & District Chamber office. Denominations of \$5, \$10, \$20, and \$50 are available to purchase, dollar for dollar and do not expire. Chamber Change dollars can then be redeemed for items and services at any 29 participating Fairview & District Chamber member businesses.

Anyone may purchase Chamber Change and are encouraged to call the Chamber Office ahead of time at (780)-835-5999 to order the required amount to ensure it is ready when you need it.

KEEPING THE BUSINESSES WE LOVE IN BUSINESS

SUPPORT SERVICES PROGRAMS

The Family and Community Support Services (FCSS) program promotes and enhances the well-being of Albertans, families, and communities. FCSS programs are intended to help individuals adopt healthy lifestyles, improve their quality of life, and build capacity to prevent and deal with crisis situations should they arise. The FCSS program is an 80/20 funding partnership between the Government of Alberta and the participating municipalities (The Town of Fairview and the MD of Fairview NO.135).

In 2022 Fairview and Area accessed FCSS programs 36,264 times. In addition, our Facebook Page reach with posts was over 60,000.

ANIMAL CONTROL

The Town's Animal Control Bylaw dictates that an owner of an animal is guilty of an offence if:

- the animal is not licensed
- barking or howling disturbs others
- the animal causes property damage
- the animal is in an area where a sign prohibits pets
- the animal bites, attacks, barks at or threatens a person or another animal
- the animal defecates on property not belonging to the owner, and the defecation is not immediately removed and disposed of in a sanitary manner

As a responsible pet owner, dogs and cats need to be under your control at all times when out in public areas. Ensure your animal is leashed with control, and carry waste disposal products.

Please respect your neighbour and take proper care of your animals. Your neighbours have a right to peace and quiet in their home, and should be able to walk the streets or trails in safety and without animal disruption.

The complete bylaw may be viewed at fairview.ca

RE

DUCE USE CYCLE

Please remove your emptied bins from the street the same day. This is crucial for both snow removal purposes and general neighborhood courtesy.

All residential garbage and recyclables are collected on Wednesdays by Prairie Disposal's automated collection system.

Every residence has been allocated one black bin for household waste and one blue bin for recyclables. The bins are provided at no charge, however if a bin is lost or damaged, the resident will be responsible for the replacement cost. Place both bins on the street with wheels touching the curb, one metre of clearance between each bin and any other object, such as a vehicle.

What can go in the black garbage cart? Any bagged household garbage that you would normally place out for collection should be placed in the black cart. Absolutely no hazardous materials or loose garbage.

What if I can't get all my garbage in the cart? The equivalent of three bags will fit in the cart. If your cart is overflowing (lid will not close), it will not be collected. Additional bags placed at the curb will be picked up if they have a "bag tag" sticker which can be purchased at the Town office.

What can go in the blue recycling bin? Newsprint, heavy paper, mixed paper, box board, cardboard, rinsed food cans, rinsed beverage containers, hard plastics #1 to 7 and deposit items.

What should not go into my blue recycling bin? Plastic toys, bubble wrap, plastic bags/film, styrofoam, glass, ceramics, toxic items, electronics, small appliances, diapers, scrap metal or wood, food or yard waste, unrinsed food containers, soiled paper (used tissue or paper towel, pizza boxes smeared with cheese etc.), soiled containers.

Town Utility Bills

Your utility bills are mailed out at the beginning of each month (for the previous month's consumption). New radio frequency meters have been installed in almost all the households and businesses. You will receive an accurate monthly bill for actual consumption. You will be charged \$3.18 per cubic meter for residential accounts and non-residential accounts.

In addition to the consumption rate for water you will be charged a flat rate for the Sewer service for residential and non-residential accounts, and a flat rate monthly Capital Replacement fee.

If your bill is exceedingly high, check your toilet(s), faucets, humidifiers, icemakers and outdoor taps for leaks.

We are pleased to offer our residents the option of paperless billing. This means that you would receive an email copy of your bill each month instead of the paper copy in the mail. As an incentive to sign-up for this service, there is currently a \$1 credit per month for signing up.

So you never forget to pay your bill, we also have a preauthorized payment plan that debits your account on the 20th of each month. This debit can only be from a valid bank account.

Weeds Weeds Weeds

Weeding is a pain! Fairview residents take pride in maintaining clean and tidy yards. Yet it never hurts to have a quick refresher on the Town of Fairview's strategy against those notoriously nasty, noxious and nuisance weeds:

The weed inspector will routinely do checks within the Town and surrounding area, and will take calls to inspect particular properties if requests are made to the Town. The weed inspector will be searching out the following noxious plants.

Canada Thistle

Scentless Chamomile

Creeping Bellflower

Perennial Sow Thistle

Dame's Rocket

Leafy Spurge

Dandelions are NOT noxious weeds! Since late 2010, dandelions are no longer included in the Weed Control Act. However, yards that appear to have been neglected may be pursued under the Town's Nuisance Bylaw.

Call 780.835.5461
for further information about the
enforcement process.
