## TOWN OF FAIRVIEW

### ENVIRONMENTAL PROTECTION AND ENHANCEMENT ACT

#### NOTICE OF APPLICATION

In accordance with the Environmental Enhancement and Protection Act (EPEA), the Town of Fairview has applied to Alberta Environment and Protected Areas for a renewal to an existing EPEA approval to operate the Fairview Waterworks System located within NE ¼ 04-080-03-W6M and NW, SW, and SE ¼ 03-082-03-W6M.

The system consists of a raw water source from the Peace River, a river intake structure and raw water pump station, raw water reservoirs with aeration, and a raw water transmission main. Treatment consists of taste and odour control, solids contact clarification with coagulation and flocculation, dual-media deep-bed filtration, fluoridation and chlorine disinfection, continuous monitoring and automation with SCADA, treated water storage, and potable water distribution. Potable water is provided to residents of the Town, a truck fill station, regional municipal developments, and the Hamlet of Bluesky.

A directly affected person may provide input into certain regulatory decisions, as allowed by the *Environmental Protection and Enhancement Act* (section 73). Specifically, any person who is directly affected by this application may submit a written statement of concern within 30 days of the date of this notice to:

Environment and Protected Areas  
Regulatory Assurance Section  
Approvals Unit  
5th Floor, South Petroleum Plaza  
9915 - 108 ST

Fax: (780) 422-0154  
E-mail: [epa.epeaapplications@gov.ab.ca](mailto:epa.epeaapplications@gov.ab.ca)

The written statement of concern should include the following:

- the application number **018-659**
- describe concerns that are relevant to matters regulated by the Environmental Protection and Enhancement Act
- explain how the filer of the concern will be directly affected by the activities proposed in the application
- provide the legal land location of the land owned or used by the filer where the concerns described are believed to be applicable
- state the distance between the land owned or used by the filer and the site in the application
- contact information including the full name and mailing address of the filer.  
Please provide a telephone number and/or email address for ease of contact.

Environment and Protected Areas will review each written statement of concern, seek more information if needed, and notify each filer by letter of the decision to accept or reject their written submission as a valid statement of concern. The Public Notice of this application will also be posted on the Department's website at <https://avw.alberta.ca/PublicNoticesViewer.aspx>.

Statements of concern submitted regarding this application are public records which are accessible by the public and the applicant. Failure to file a statement of concern may affect the right to file a Notice of Appeal with the Environmental Appeals Board.

Copies of the application and additional information can be obtained from:
